The view taken in para 3 of the Local Self Government and Public Health Department note at page 65 is correct.

2. Clause (nb) as inserted in section 52 of the Act by Bom. XIX of 1951 contemplates a provision in the rules prescribing the manner in which a notice should be given under section 44C. It is not necessary to prescribe a form of notice under the said clause. In respect of other notices to be issued under the Act, no forms have been prescribed in the Rules.

3. Rule 25 of the Rules under the Act already provides for the manner to be followed for the service of notices issued under the rules. The manner so prescribed will also be applicable to notices issued under section 44C. It is not, therefore, necessary to prescribe a special mode of service in respect of notices issued under section 44C. Rule 25, however, refers to notices issued under the rules. The rule may be amended so as to make it clear that the rule is applicable to notices issued under the Act and the Rules thereunder.
